PROHIBITION PRINCIPLES

Resolutions Passed by the State Convention of Florida Prohibitionists at Ocala September 12, 1900

We, the Prohibitionists of Florida, in convention assembled, declare the following as a compend of political principles:

1. We hereby endorse the action of the National Prohibition party at Chicago June 27 and 28, 1900—
 - a. In declaring that Almighty God is the supreme source of all just government.
 - b. That "considered socially, financially, politically or morally, the licensed liquor traffic is, or ought to be, the one overwhelming issue in American politics" and that "the destruction of this iniquity stands next on the calendar of the world's progress."
 - c. That any party claiming to be an enemy to trusts and monopolies should give an earnest of its sincerity by first attacking the liquor oligarchy, the most gigantic and baleful of all monopolies.
 - d. In its nomination of John G. Woolley and Henry B. Metcalf, able and fitting exponents of these principles, as candidates for president and vice president of these United States.
2. a. We ask all lovers of righteous government and servants of God that on the day of the next presidential election, when you go into the voting booths, you put this question to your own conscience: "Is it not my duty to place myself on record against this soul-destroying traffic by casting my ballot for the only candidates who, with their party, have declared against this iniquity?"
- b. We ask all voters of Florida to prove their conviction that "righteousness exalteth a nation" by refusing utterly to vote for or in any way assist into office any man who is too weak or too indifferent to pledge his official influence, if elected, for the crippling and ultimate destruction of this nefarious traffic in our own fair state

EDITOR'S AWFUL FLIGHT

F. M. Higgins, editor Seneca (Ill.) News, was afflicted for years with Piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes that two boxes wholly cured him. It's the surest Pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Garrett & Gerig, Ocala, and all other druggists.

THE DISPENSARY WINS

Tuesday the second primary took place in South Carolina, to determine who should be governor. Miles B. McSweeney, present incumbent, representing the dispensary element, as against Col. Jas. A. Hoyt, prohibition candidate, won by fully 10,000 votes.

James H. Tillman, nephew of Senator B. R. Tillman and a dispensary advocate, leads John T. Sloan for lieutenant governor by 10,000.

W. D. Evans, chairman of the state railroad commission, is beaten by J. H. Wharton by 10,000.

South Carolina's delegation in congress is changed by the election of R. B. Scarborough over James Norton and Joseph T. Johnson over Stanyarne Wilson by large majorities. Scarborough is present lieutenant governor and Johnson is a recognized leader. Pinky and Latimer retain their seats in congress over all competitors.

Timmerman, state treasurer, is beaten by Jennings. Otherwise the present administration is unchanged, after a preliminary canvass from county to county.

Senator Tillman goes back to the United States senate, although 18,000 voters scratched him, but he had no opposition. The election was the cause of one man being killed and another wounded over disputes at the primary.

THE STATE OF MAINE

The election Monday in that state recorded a majority of 32,000 for the republican candidates, which is over 13,000 short of the vote of 1896 for president. Over 6000 gold democrats returned to their party and voted the democratic ticket.

THE PEOPLE WHO HANDLE EVERYTHING

HOPE!

Victims of malignant Blood Poison and Scrofula were formerly looked upon as lost. Fearful of contagion, their friends denied them companionship and medical aid. They denied them hope. Their life was worse than death and their only relief the grave. Many such cases were especially sad from the fact that the sufferers contracted disease by accident or heredity and through no fault of their own. Modern civilization looks with sympathetic consideration upon all cases of blood poisoning, and medical science, after groping for centuries in darkness, has finally evolved a cure. Despair vanishes like an evil spirit. Hope shines forth like a glorious sunrise.

100,000 WOMEN RELIEVED

Reports received show that Wine of Cardui has brought permanent relief to 100,000 suffering women in the last few years. Because of Wine of Cardui, thousands of sufferers, seemingly on the way to premature graves, are now healthy women taking an active interest in the duties of life. Mrs. Mitchell was declining in health when Wine of Cardui "performed a miraculous cure" in her case. She suffered terribly with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months sapped her vitality until she was little better than a physical wreck. Her nervous system gave way under the terrible pain and aggravation. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence. The Wine is within the reach of all. Woman who try it are relieved. You can get as much benefit as Mrs. Mitchell received. Ask your druggist for Wine of Cardui. Send to the laboratory for the medicine if he tenders you a substitute.

WINE OF CARDUI

South Gaston, N. C., May 29, 1899.

Wine of Cardui and Theodor's Black-Draught have performed a miraculous cure in my case. I have been a great sufferer from falling of the womb and leucorrhoea, and my menses came every week for two months and became very painful. I was in a bad condition. My husband induced me to try Wine of Cardui and Black-Draught, and now I have no pain. The leucorrhoea has disappeared and now I am in perfect health. Mrs. WILLIE MITCHELL.
